If arriving by bus, please unload at the East Circle off Arnold B. Grobman Drive. You will NOT be allowed to unload at the West Circle.

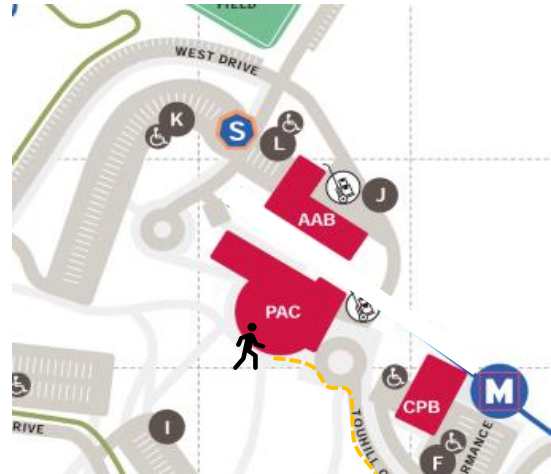

When you arrive, SLSO staff will provide you with a bus number (just like at Powell Hall). After you've unloaded the bus, your bus driver will be directed to park the bus at Lower Parking Lot K where it should be waiting for you after the performance.

If arriving by bus, we may get backed up while unloading the buses. Please ask your bus driver to remain in the bus line and wait to unload until asked to do so by an SLSO volunteer or staff member.

Blanch M. Touhill Performing Arts Center Education Concerts Dismissal Procedures for Groups

If you are parked in the MSC Garage North, exit back out through the East Circle doors. This exit is also handicap accessible. Please be aware that it may be crowded, and buses may be staged in the East Circle if there is a later performance.

If you came by bus, your bus should be parked in Lower Parking Lot K. Please wait for SLSO ushers to dismiss your group from the auditorium. As you leave the Lee Theater, follow the hallway forward and to the right to go down the spiral staircase. You will need to come down the stairs to the lower level before exiting the building. Please exit out the glass doors onto the lower-level patio and follow the sidewalk to Lower Parking Lot K.

To access Lower Parking Lot K, you must exit the Blanch M. Touhill Performing Arts Center on the lower level.

Once in the parking lot, SLSO volunteers will help you locate your bus(es). For everyone's safety, all buses **MUST** remain parked until every bus has been loaded. Once all buses have been loaded, an SLSO staff member will release the buses from the lot.
